## Pharmacist Day

**Title of Activity/Event:** Pharmacist Day

**Date:** 25/09/2022

**Number of student:**

**Venue:** Smt, Sharadchandrika Suresh Patil College of Pharmacy, Chopda, Jalgaon, Maharashtra

**Brief Description of Event :** The annual commemoration of this day is aimed at recognizing the role of pharmacists in improving global health. It is also meant to encourage and support actions that promote healthcare worldwide.

Clinical activities in pharmacies involve pharmacists providing patient care to optimize medication therapy and to promote health, wellness, and disease prevention [1]. Among such activities are the identification, prevention, and resolution of drug-related problems

The primary goal of anyone working in pharmacy is to dispense medication in a quick and accurate manner. Accuracy is more important. Giving the customer the right medication and the right dosage can be a real matter of life or death.
